

# ZIPNOTES UPGRADE 3.15 IS AVAILABLE WE HAVE A NEW LOOK!! PLUS LOTS OF NEW OPTIONS!

This is what our new Main Menu Screen Looks Like:

- New Medicare Options:
  - New Medicare Notes compliant with Federal Regulations
  - New Medicare Travel Cards- available for purchase separately for your Medicare patients  
*(Call and we will send you out a Medicare Travel Card for your inspection.)*
  - New Medicare Initial Exam Form and Daily Visit Form can be printed from our Reports Section
- Expanded Printing Per Page-Paper Saving Reports  
We have lengthened the margins so that your longer Intial Exams and Progress Reports can all print on one page instead of being sectioned off into a 2<sup>nd</sup> page. Also more Daily SOAP's per page.
- Patient Entry Form is now available to be printed from our Reports Section.
- User Manual and Demopack are available to be printed from our Utility Section for more help.
- Plus, the great extras from our last update if you did not update last time:  
Electronic Signature Option  
Separate X-Ray Report Page Option with Clinic Address  
Easier visit finder (no more hitting previous visit to get to the visit you wish to edit or view)
